

## Spectrum Training

### Foundation Training for Working with People with BPD

**Date: Tuesday 1<sup>st</sup> December 2020**

**Time: 9.30am to 3.30pm**

***This one day workshop will be presented live on-line via Zoom.***

The Foundation Workshop will support clinician's understanding and practice in working effectively and therapeutically with people with borderline personality disorder (BPD). It will include a developmental understanding of factors contributing to a diagnosis of BPD, the ongoing effects of early life experiences, and the role of therapeutic relationships in treatment. The workshop will also focus on the assessment of, and working with, risk, as well as treatment principles.

This training is suitable for mental health clinicians who want to deepen their understanding and practice in working with people with BPD. It will include interactive discussion and exercises.

Workshop Fee: \$120

**To register for this event, please follow the link below. A Zoom meeting invitation will be provided closer to the event.**
